

IBM 3592 VOL-SER Label and Initialization Order Guide

Form 50812 (12/14)

Instructions

- 1. Customer:** Complete the entire section. If a specific delivery date is required include this date.
- 2. Tape Cartridge:** Clearly identify the quantity ordered and select the correct cartridge type. The IBM seven-digit part number must be indicated by marking the appropriate box.
- 3. Label Information:** Identify the label type that matches your requirements and indicate horizontal or vertical label orientation. For RFID include the part number. For WORM circle the Media ID and part number.
Alpha Characters: Alpha characters require a background color; indicate color of choice, alpha character is black.
Numeric Characters: Numeric characters are black on vibrant colors as shown. For the number zero, note as Ø.
Label Sequence: Indicate sequence from beginning to end. Sequence example for 100 labels; From: 12300 To: 12399. Each label includes a media identifier that matches the cartridge format; JD, JC, JB and so forth. Any mix of alpha and numeric characters is allowed.
- 4. Initialization:** If your order requires initialization complete this section, select the drive and model to match your requirements. Select the appropriate initialization format. If you are unsure of this information it can be verified by the data center manager or your IBM Client Executive.
- 5. Cleaning Cartridge:** Clearly identify the quantity of cleaning cartridges ordered. Identify the last three digits in the label sequence. For the number zero, note as Ø.
- 6. Special Options:** Use this area to identify options such as pad print, special RFID formats, no media ID.
- 7. Special Instructions:** Use this area to indicate split ships, partial orders, special delivery instructions, or any other special request.
- 8. For Internal Use:** Leave blank.
- 9. Delivery Information:** Labeled orders ship approximately 1 week from receipt of order. Labeled and initialized orders ship approximately 1-2 weeks from receipt of order. Standard ground routing applies. For air route delivery the customer pays the difference between Standard Ground Routing and Air Freight Charges.

QUESTIONS? In the U.S. and Canada, call your IBM Customer Service Representative at 1-888-426-6334. For locations outside the U.S. and Canada, contact your local IBM media sales manager. For more information on IBM storage media products visit www.bluestoragemedia.com.
